Note regarding the salary and grant of conveyance allowance to Mr G Sampath, Sub Engineer, attached to the scheme of forming a straight road from Elgin Fountain to District Offices.

In the scheme sanctioned by Government for forming a straight road from Elgin Fountain to District Offices, there is a provision for the post of a Sub Engineer on - Rs 150/- plus D A 50/- in grade 125-10-175 and the Chief Engineer has approved the posting of Mr G Sampath against this place as per his letter No 838/E dated 17-8-1944 But prior to coming to this office Mr Sampath was drawing a pay of Rs 135/- in grade 125-10-175 as Lecturer in the - College of Engineering, Bangalore and the same pay of - Rs 135/- plus D.A.50/- has been allowed to him now The Secretary to Government, Public Works Department, has - however stated in his letter No P W.6245 dated 15-3-1944 to the Chief Engineer that Mr G Sampath may be allowed -- such pay as the Municipality may fix so long as he is - employed there Further it may be stated that the work in which Mr Sampath is employed involves both office and executive duties and he has necessarily to maintain a - suitable conveyance and the usual conveyance allowance allowed to Sub Engineer in the Public Works Department will have to be given to him That is, he has to be paid Rs 135 plus C A.28 plus D A.50/- But the provision in the estimate is only Rs 150/- plus D A Rs.50/- Hence against his pay and conveyance allowance of Rs 163/- he can be paid only Rs 150/- plus the D A from 1-9-1944 which may be approved
